Issue II

November 2009

**Theme of the Year:
The Time is Always Right to Do What is Right**

Dear Parents,

It is my pleasure to inform you that on October 20th, the School hosted Dr. Gregory Maffet, AdvancED Regional Director who spent the day reviewing our documents, meeting students, teachers and parents. The purpose of his visit was to assess our readiness for Accreditation with CITA. Therefore he reported to us by the end of his visit that Eastwood will be ready to start the Self-Study and host the Visiting Team before the end of the Academic Year 2009-2010. May I take this opportunity to thank all our parents for their continuous

support and their excellent partnership. Our aim is to drive the School to higher levels by meeting international standards and gaining Accreditation. We are looking forward to continuing our journey together hand in hand to serve our Children, our future and our purpose.

Sincerely yours,

Zakieh Naimy Bassil

Director
