Volume I, Issue I

October 2009

Theme of the Year: The Time is Always Right to Do What is Right

Dear Parents,
Welcome to a new Academic Year 2009-2010! We are looking forward to working with your children on educating their hearts and their minds. Moreover, we believe that our success depends also on your cooperation and your support. Therefore, like every year, you are invited to come and meet your child's/children's teachers to learn more about the programs and about the daily procedures. The Parent/Teacher

Evening will take place on Wednesday, October 7th from 2:30pm until 4:30pm in the School Chapel.

On another note, we are happy to inform you that our school is preparing for the Accreditation with CITA (The Commission on International and Trans-Regional Accreditation). The school is going to host a preliminary visit on October 20th. We are looking forward to a fruitful partnership with you all!

God Bless!

New!

This year, we are going to organize regular study hall sessions for those who need homework supervision. A letter concerning this matter will be sent shortly home!

H1N1 Flu!

We are taking action! Please follow the School Nurse's instructions carefully.

Dear Students and Parents,

Wednesdays!

Please note that for the third consecutive year, the school day each Wednesday ends at 2:15pm, because staff members will be working in the afternoon on Professional Development Plans and on the Accreditation process.

New Code of Conduct!

Remember to read the document thoroughly and to sign it!

Class Delegates and Student Council!

The elections will take place during the third week of October. Good Luck!

After School Activities!

The Eastwood College Club will resume its After School Activities soon. We will notify you about the options in the coming weeks.

Sincerely yours,

Zakieh Naimy Bassil

School Director
