Second place in the Swimming competition held in Notre Dame de Jamhour.

Anne-Lies Pelgrim (10A):

Fourth place in the Swimming competition held in Notre Dame de Jamhour.

Christopher Bahri (9L):

First place in the Middle and High School Ping Pong competition.

Allen Sakka (12A):

Second place in the Middle and High School Ping Pong competition.

Eastwood College Science Fair!

All parents are invited to visit the Annual Eastwood College Science Fair on Wednesday, March 10th. A special invitation will be sent home soon. I wish all the students the best of luck in their preparation!

Issue VI

March 2010

Theme of the Year: The Time is Always Right to Do What is Right

Dear Parents,

Is it a coincidence that we are celebrating two special days in March? March is the time when nature welcomes the spring with petals of life and beauty. It is also a time to appreciate people who plant in children's hearts and minds seeds of knowledge and awareness. These are the teachers! March is also a time when we all pay tribute to mothers.

On another note, March is also the time when Grades 7-12 students prepare and sit for their Trimester II

Exams. In March, Eastwood College celebrates Poetry by writing, reciting, and hosting in the Chapel the second annual Poetry Evening. We are looking forward to seeing you all there on March 12th at 6:00pm.

Finally, may I take this opportunity of wishing all the mothers a very happy Mother's Day, and to wish all parents and students a Happy Easter!

Sincerely yours,

Zakieh Naimy Bassil

Director

Easter Vacation!

The school will be closed except for Brevet and General Sciences classes from April 1st until April 11th for the Easter Holiday. Classes resume on Monday, April 12th.

H1N1 Flu

No absent student will be allowed to re-join the school without a **medical report!** Thank you for your cooperation in keeping Eastwood a healthy place!

Dear Students and Parents,

Brevet and General Sciences Classes

This year the official exams will take place in early June. Therefore, the Educational Team decided to schedule continuous cumulative tests for both classes until the reading time. This means that Brevet and General Science classes will not sit for

Trimester II Exams, and will attend normal classes during the Easter Vacation. A special schedule for this matter will be prepared and distributed to the students soon.

Thank you!

On behalf of the "Mom's Cooking Committee", may I thank all the parents and the students who encouraged the project!

Trimester II Exams!

The exams will start in the week of March 22nd and finish in March 31st. A detailed schedule will be sent home soon.

Progress Report!

The progress reports were sent on February 10th. Make sure to ask your child/children about them!
